Possible malfunctions and methods for their elimination, the mating dimensions of the main parts and the limits of their allowable wear, recommended lubricants and working fluids are given. Well assume youre ok with this, but you can optout if you wish. Let us help you get a quote. Find your nearest service dealer to schedule an appointment. Youll also get an easytoread report card that details anything on your car in need of attention or that may need attention in the future. They are specifically designed and engineered for your Mazda vehicleno one but you will know theyve been replaced. The result is sheetmetal components that fit perfectly so you dont see excessive gaps or misaligned panels. Every original equipment tire has been rated by Mazda to be the best available for your specific model and driving needs. Whether you need allseason or allterrain tires, your Mazda Dealer will find the right tires for you. Worn tires should be replaced when the tires tread wear bar meets the tread. Have your tires inspected regularly, and do not drive on a damaged tire or wheel. Visit your authorized Mazda Dealer for a Full Circle Service inspection to check the wear of your tires for your safety and to maintain your vehicles best performance. Designed for specific Mazda models, we ensure that theyre the highestquality brakes available. Genuine Mazda brake pads have an advantage in braking effectiveness.Because brake pads and shoes are hidden behind the wheels, calipers or drums, you cannot easily see how much wear they have.

See your authorized Mazda Dealer for a brake inspection and ask about our Lifetime Limited Warranty on Genuine Mazda and Value Products by Mazda Brake Pads and Shoes. For even greater peace of mind, it's backed with an equally highperformance warranty. To maintain a reliable, corrosionfree battery with lots of powerful coldcranking amps and reserve capacity, have your battery periodically checked by a Mazda Dealer. They are specifically designed and engineered for your Mazda vehicle—no one but you will know theyve been replaced. The result is sheet metal components that fit perfectly so you dont see excessive gaps or misaligned panels. Exact details are in your warranty information booklet, but restassured, well be right there with you. Along with your warranty coverage, Mazda provides 24hour Emergency Roadside Assistance for specific warranties, so the only thing you will need to do is enjoy the drive. We designed Mazda Roadside Assistance to make sure nothing stands between you and the drive. So, it's important you know how to get there and that you're entertained on the way. We want you to drive confidently with your invehicle navigation device and be familiar with the infotainment system. We're here to help you find answers on installation, software updates, connectivity and general troubleshooting issues.If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at thencurrent rates.
